Application to Graduate with a Minor in Design Strategy

Complete this form and return it to 1411 MVR Hall the last semester of your senior year by the deadline specified for your graduation month - March 15 for May Graduates or October 15 for December Graduates.

Name: _________________________________ NetID: ____________ Date: ____________
Cornell ID #: ______________   College: ________     Major: ___________________________
Expected Graduation Year: _________________

**General Requirements: Fall 2019**

- Open to all Cornell undergraduate students, including DEA majors.
- Students should submit the Intention to Minor in Design Strategy form after successfully completing two core courses requirement in D+EA.
- The minor will consist of 17 total credits. Students must complete two foundational courses, one graphics–focused course, one foundational studio course, and one elective studio courses from the approved list.
- Courses must be completed as letter grade with a grade of B- or better.
- Courses offered only as S/U are accepted but must not exceed a total of 3 credits toward the 17 credit requirement for the minor.
- Special study courses (DEA 4000, 4010, 4020, 4030) cannot be used toward the minor.
- No substitutions will be made for the required core courses.
- During the semester in which the student plans to graduate, s/he MUST submit a completed copy of the D+EA Application to Graduate with a Minor in Design Strategy form to DEA’s Academic Programs Coordinator in 1411 Martha Van Rensselaer Hall. The current version of requirements will be used to evaluate the completion of the Minor, If the Intention to Minor form has been submitted, the student has the option to make a request to use the earlier version of requirements in-effect at the time the Intention form was submitted to D+EA.
- After verification by D+EA that all requirements for the minor have been completed, the student’s college registrar will be notified and the final transcript will indicate that a Minor in Design Strategy was earned. No other forms will be approved.
